- i herd that in jamaica they burn the batty man, they strip him, derag him down the street and its a straight bullet to the brain, i do not agree with this song
- however cpos on anti gay songs people like them and Elephant man lost thousands of dollars at concerts because people stopped going so its terrible

- another thing U don't C is that it's no choice: U and I didn't choose to love women, we just happen to; it goes the same way for being gay: it falls down on U, either since birth or one day. I thought black folks knew betta than to discriminate against "different" people after the whole slavery thing, but apparently we're doing history all over again, just the victims are different.. good, yeah "heaven" awaits y'all for y'all hating, hold on to that thought

- Your memory is very short.
Not long ago negros use to be hung up to die in trees in the name of hate.
Not unlike the ignorance and hate displayed here. Your on the wrong side of history.

This song is a celebration of ignorance.
It's funny when people try to sing a long and don't even know that they're being homophobes.
And it's distrubiing when they understand what their singing, and agree with it.

pfff een keer of 10 een reactie plaatsen op dit nummer, en dan ook
nog eens zo inhoudsloos, je hebt geen moer te doen, AAP!
Als dit nummer je zo'n pijn doet stop dan gewoon met elke keer
kijken, lezen en dan gefrustreerd reageren.
Dat de songtekst voor bepaalde mensen kwetsend is begrijp ik
best, maar als je dan zo'n rascistische kut reactie plaatst ben je zelf
net zo erg bezig :-)

TOK are Heavy but really, what is the point of this song? The tune is based on a christmas carol. Any one that thinks i'm talking shit should google it.
"do you hear what i hear" Written by Noel Regney and Gloria Shayne in 1962. Oh and by the way, they were lesbians

And I love Bashment, (Log on, Elephant man, Much better Homophobic Tune).

ok,seriously: your comments are inconsistant:you are against racism, but pro homophobia. you denoted, that you yourself possibly have been a victim of discrimination, since you're hispanic and dark skinned. then you have to know, how it feels, if some asshole hates & hurts you for something you haven't chosen and what you can't impact. that's really poor, sorry.

and look up wikipedia for "Brian Williamson" and follow the links. then you know, what i'm talking about.

youngthugga87 (il y a 1 an)[Répondre](#)0  

First off I said that what I write is somenting I agree but it is not mine that are tok's words or any hip hop artist a alot of jam artist's words so if I'm inconsistant them as well, but bein' black or dark skinned is different of bein gay somebody can descriminate me but I like to be dark and I discriminate white people too (or just some white people) and ain't nothing wrong bein' black but bein' gay yes that's wrong nobody wanna be gay plus it is something against nature

youngthugga87 (il y a 1 an)[Répondre](#)0  

the man and the animals were born to reproduce if all people were gay the human race would no longer exist, I'm not a murder I wouldn't kill nobody "bun dem chi chi man" are just words but is a way to say they are wrong and a way to say I couldn't have a gay friend because if I look at him as a normal friend maybe he look at me like a potencial boyfriend and I don't like it the only idea disgust me, and the gay wedding is wrong and a child growin' up with gays is death wrong

youngthugga87 (il y a 1 an)[Répondre](#)-3  

Another reason why I don't like the is:

I'm a bodybuilder I often go to the gym gays in the male locker room is like bein' straight in the female locker room they should have their locker room there are a lot of things I don't like of them I just say I'm a real man I like girls, girls like me, and it should be this way for everybody

frozenhero (il y a 1 an)[Répondre](#)+1  

nobody denies, that you're a real man, so why you feel insecure ? i'm sure you don't know any single gay personally, then you would know, that his life isn't that far from yours. what you know is just a cliche. So, love your girlfriend instead of hating other people, that's the best way, to feel like a real man (at least for you :)

BesterMenschDerWelt (il y a 1 an)[Répondre](#)0  

youngthugga87 and everyone in T.O.K. should be killed! YOu like 50% gay girls...damn, you are such an idiot. 50% gayness is still gay, you gay homosexual faggot.

frozenhero (il y a 1 an)[Répondre](#)-1  

take a firm stand please ! Why you hate TOK if it is NOT for homophobia ? I have to admit, that TOKs music is exceptionally, but some of their lyrics are out of question. So what's your point ?

youngthugga87 (il y a 1 an)[Répondre](#)-1  

to frozenhero I wanna tell that I don't live hatin' gays I got a work a girlfriend hobbies ext. but I just want them away from me, these are my thoughts about them I think anybody is free to think and say what we like I don't agree with you but you are an intelligent person and we can exchage opinions without fight or insult each other like bestermensch does, what I don't understand of you is why if you don't like tok's lyrics you listen to them?

youngthugga87 (il y a 1 an)[Répondre](#)+2  

fuck you die muthafucka you can only comment videos hidden behind your computer screen

youngthugga87 (il y a 1 an)

and I wanna clarify that sayn' I like 50% lesbian is a way to say I'd like to have a 3some whith two girls, lesbians are female gays are male it's different, and now I'm using the word gay so now you are who is insulting them sayn faggot

frozenhero (il y a 1 an)

[Répondre](#) -1  

you're right, insulting isn't very effective. but i can't see the diffrence between (female) lesbians and (male) gays....maybe there are girls, dreaming of a threesome with two men and therefore they like 50% gays and thus gays also have the authorisation to live like lesbians ? ;-) I listen to TOK, cause I can't ignore, how human rights are violated in Jamaica.

BesterMenschDerWelt, suck yuh momma pussy, pussyclot. I'm a real Jamaican and I'm proud. The bible say that homosexuals will burn for there sins. I don't pass judgement cause it's not my place and no sin is greater than another. But for u to put down my country because of this song or any other that speaks out against who u are is ignorant.

Beenie Man and T.O.K. have released songs that speak pejoratively of gays, called by slang terms such as "chi-chi" men and women or "batty" boys in Jamaica. The Beenie Man song "Han Up Deh" calls for a lesbian to be hanged, while T.O.K's song "Chi Chi Man" suggests the burning of gay men.
