music is cool but words are very stupid... capleton, stop this shit and all that violence, instead, sing about picking flowers and love! cheers.

r u a battyboy?

pierineri (il y a 2 mois)[Répondre](#)0  

No I'm not. I just think everybody is free to choose his or her way to have sex, it does not bother me. Maybe you wish you were gay but are too shy to admit and then pretend to hate gay people so that the other people don't think you effectively are gay? Then, don't take it bad.... maybe one day you will succeed.... cheers

shit like this is why some ppl will never get along.. do u thinking raping an anti gay person is helping ur cause....

Teflon2004 (il y a 1 mois)[Répondre](#)0  

coem on bb, it's not our fault we hold ourselves to the holy books in what stands that gaying is a sin, we need to promote moral standarts and valeus, so humans dont fall in anarchy, without the commandments there would be killing, because the laws and humanitarian is based on these foundings

this is awful and incredibly homophobic!
this makes me feel... like OMG, so much hate and violence already
in the world, what for? Well, we africans and blacks have already
been the target of all this, why reproduce it towards gays and
lesbians??? Plz check this out: "Murder Inna Dancehall is a website
that exposes the violent and disrespectful lyrics conveyed in
dancehall music towards the gay and lesbian community."
